Student Satisfaction Survey Report For the period 2020-2021

Student Satisfaction Survey Analysis 2020-21

Introduction

IIITB conducts periodic surveys to determine student satisfaction. The survey is based on a questionnaire that is comprised of 8 questions. The 10 questions are listed below:

S. No.	Feedback question
1	Curriculum documentation is adequate
2	The performance benchmarks are well-established
3	Instructional resources provided are useful
4	"Learning by doing" is encouraged
5	Assessments are fair
6	Instruction delivery caters to all learning needs
7	The institution provides adequate learning opportunities to enhance my overall professional ability
8	Professors are of the highest quality
9	Overall, I am totally satisfied with the institution

Student rating summary

Students rate their satisfaction on a 5 point scale as per the following:

Rating

SA: Strongly Agree

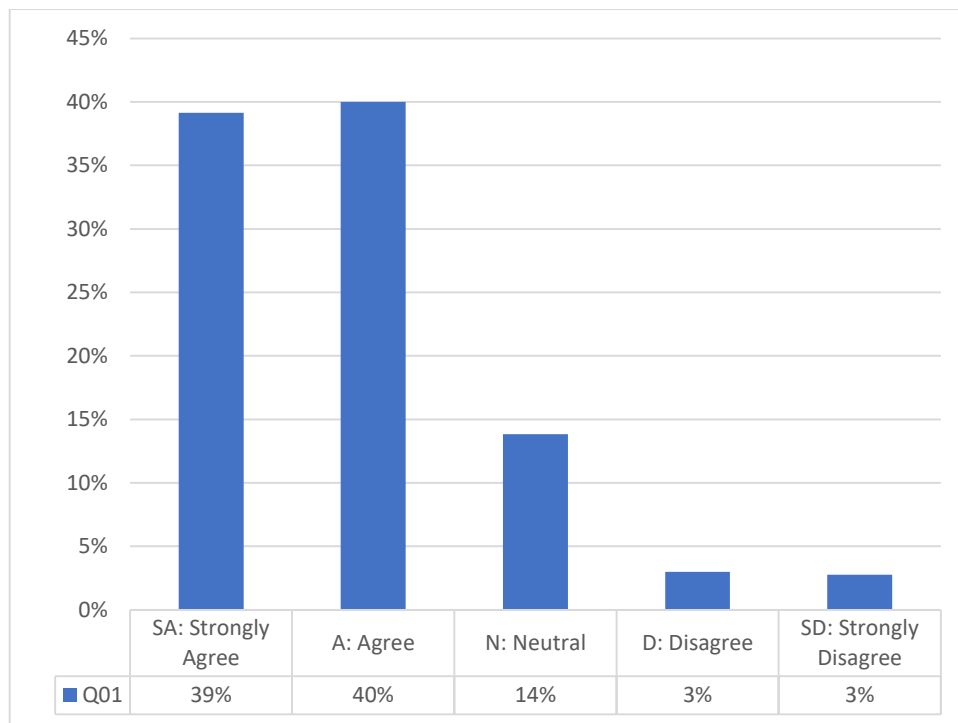

A: Agree

N: Neutral

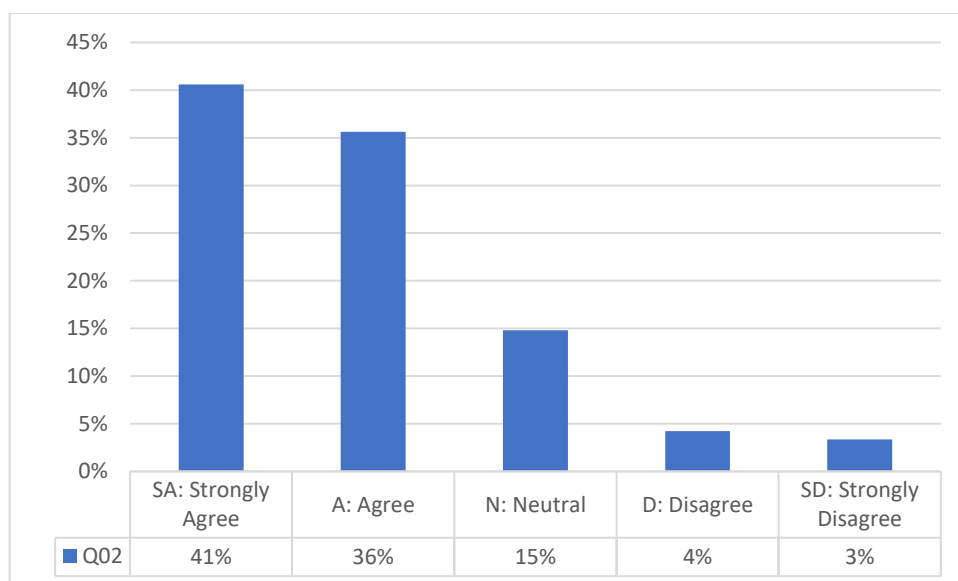

D: Disagree

SD: Strongly Disagree

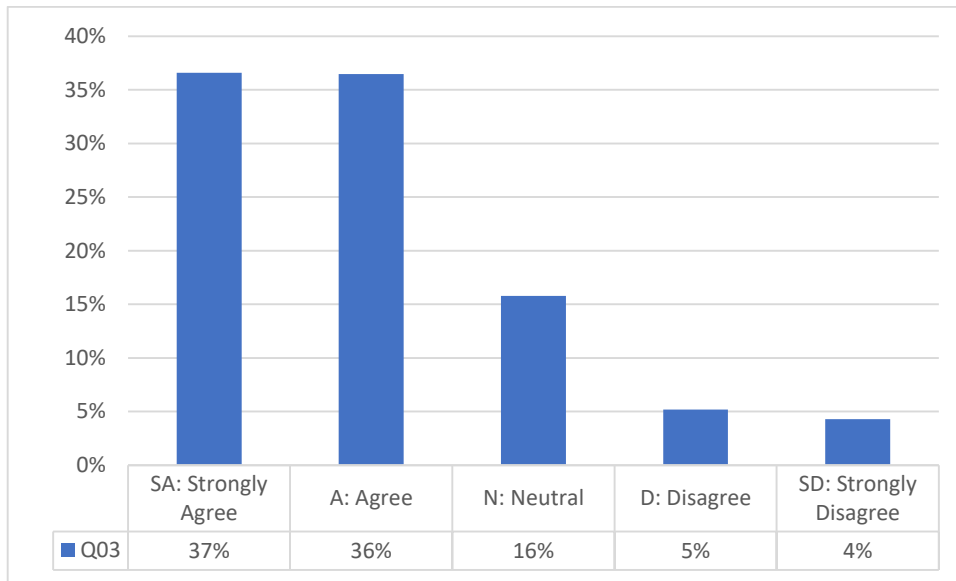

Question 1: Curriculum documentation is adequate

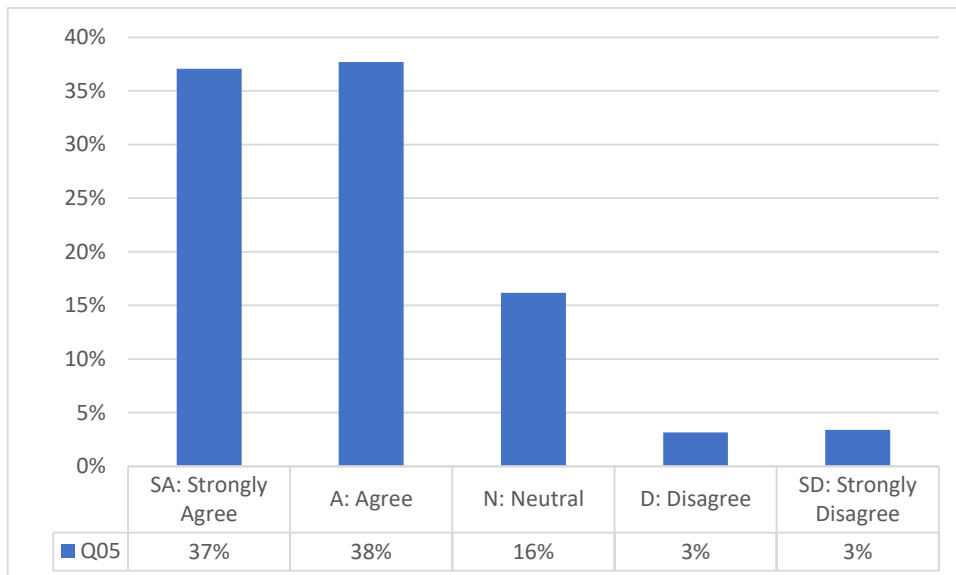

Question 2: The performance benchmarks for assessments are well-established

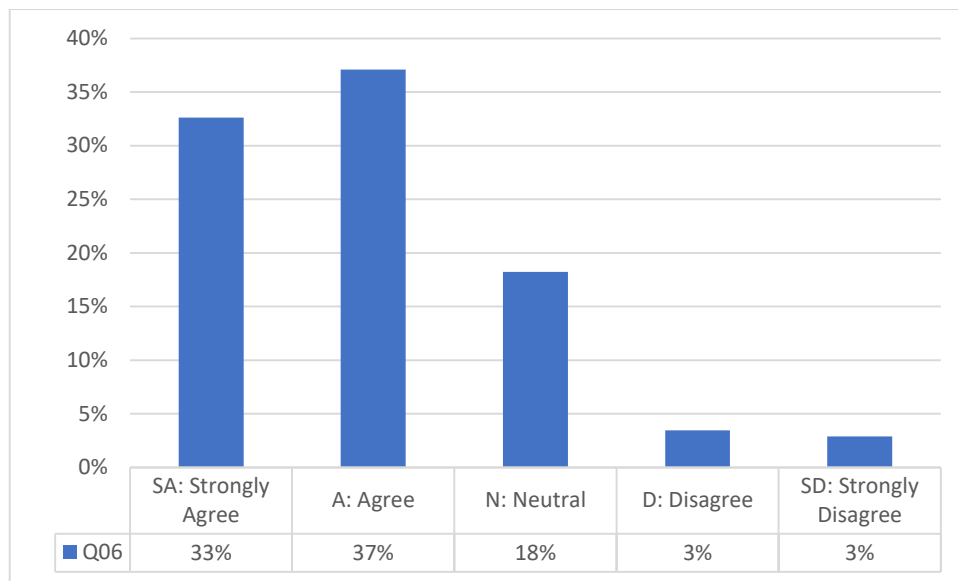

Question 3: Instructional resources provided are useful

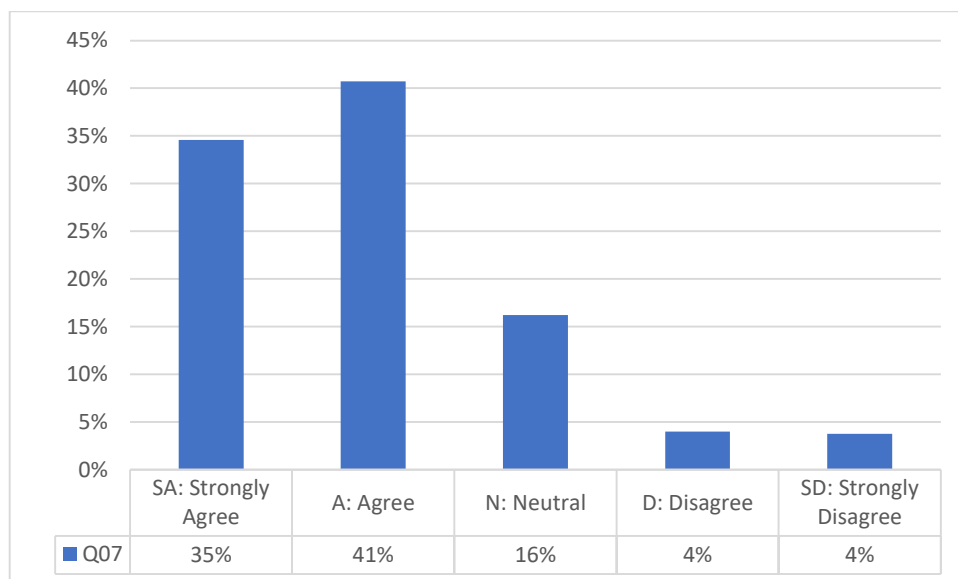

Question 4: "Learning by doing" is encouraged

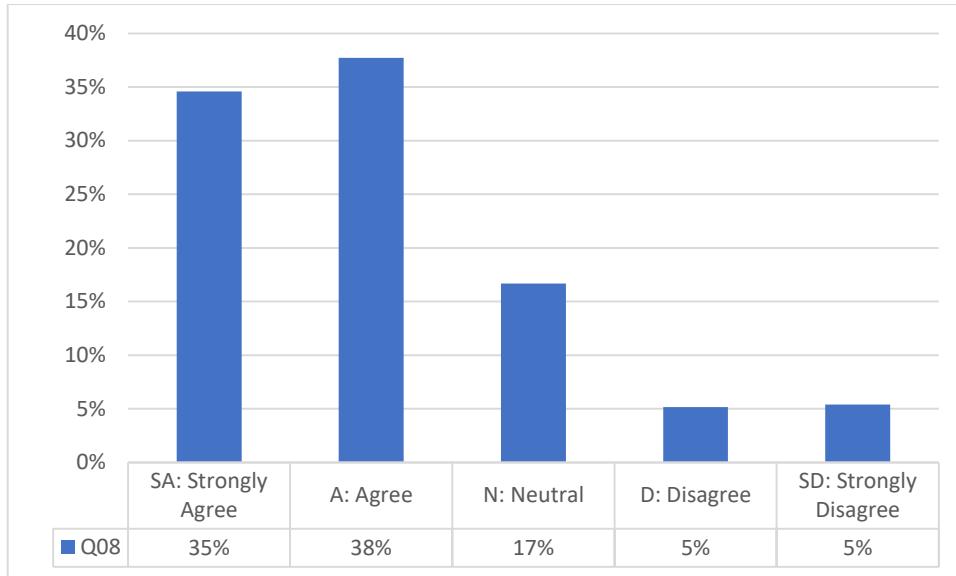

Question 5: Assessments are fair

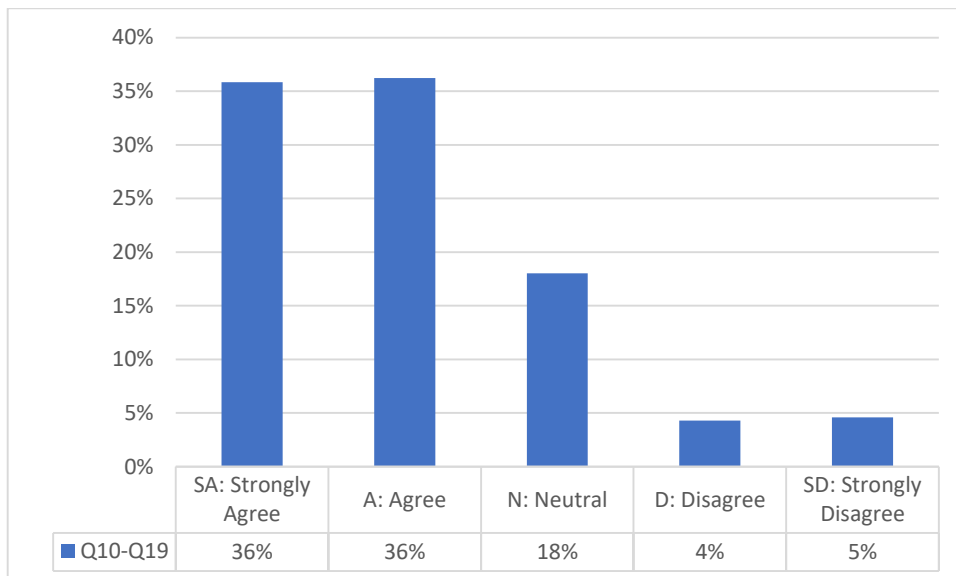

Question 6 Instruction delivery caters to all learning needs

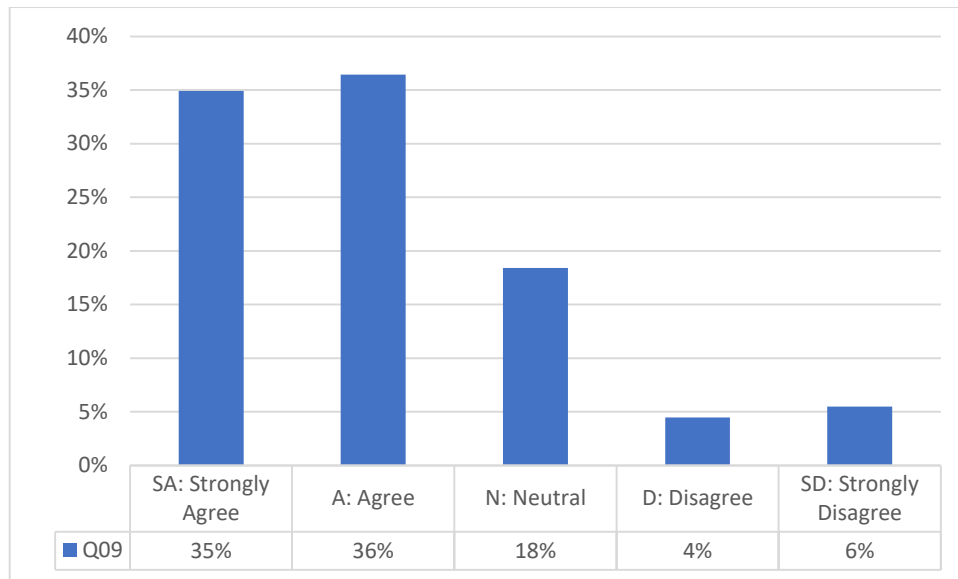

Question 7 The institution provides adequate learning opportunities to enhance my overall professional ability

Question 8 Professors are of the highest quality

Question 9 Overall, I am totally satisfied with the institution

Analysis of Student Satisfaction Survey

Based on the analysis of the feedback received from the students, following are the key observations:

- More than 80% of the students have given Student satisfaction rating of “AGREE” or above for all the questions
- Students are most satisfied with the high standards and benchmarks established
- The learning-by-doing elements of all the courses are very well-received
- Students are desiring more self-learning opportunities over and above what is being provided by the institution
