## 1 Introduction & Objectives

### 1.1 Background and Context

The National Tele Mental Health Program was announced in the Union Budget 2022-23 with the objective “to better the access to quality mental health counselling and care services”. NIMHANS was identified as the nodal center and International Institute of Information Technology-Bangalore (IIITB) is to provide technology support. This RFP is being issued by IIITB to solicit bids from competent vendors for Software Testing and Platform Support Services for National Tele-Mental Health Program (also being called as Tele MANAS Program).

### 1.2 About IIITB

The **International Institute of Information Technology Bangalore (IIITB)**, deemed to be a University, was established in 1998 with a vision to contribute to the IT world through education and research, entrepreneurship, and innovation. Intersecting technology and society, IIITB has grown in stature to become an institution of considerable repute with its unique model of education, research, and industry interaction. It works in partnership with the corporate sector while retaining the freedom of an academic institution. Inspired by other renowned institutions, it strives to emulate an academic culture that is on par with the best international institutions. The institute is a registered not-for-profit society supported jointly by the Government of Karnataka and the IT industry.

### 1.3 About E-health research centre

The E-Health Research Center (EHRC) @ IIIT-B is an interdisciplinary Research Center that spreads across all areas of research interests in the institute towards doing applied research in the use of Information & Communication Technologies (ICTs) to meet the healthcare needs of the under-served and marginal population groups in India and similar regions across the world, with an objective of improving affordability, accessibility and availability of technology solutions covering [medical] devices, [health] data, and delivery [platforms and models]. Current focus areas are mental health, malnutrition and disabilities.

- ii. All risks during transition stage shall be properly documented by Bidder and mitigation measures shall be planned in advance so as to ensure smooth transition without any service disruption.
- iii. The transition plan along with period shall be mutually agreed between Bidder and IITB and/or its designated agency when the situation occurs. Bidder shall be released from the project once successful transition is done and meeting the parameters defined for successful transition.

## 3 Response Guidelines

This section contains guidelines to be followed by the bidder for the Technical and Commercial responses to this RFP

### 3.1 Guidelines for RFP Technical Response

The response must include the following components:

#### A. Proposed Test Strategy and Support Strategy

This section must comprehensively present the bidder's overall approach, methodology, and capability to deliver **testing and support services**. The response should clearly demonstrate the bidder's understanding of the domain, project complexity, and service expectations. It should include, but not be limited to:

##### a. Test Strategy:

- A high-level document illustrating the bidder's proposed **test strategy, framework, automation setup, test environment design, and CI/CD pipeline integration**.

## Request for Proposal

- Explanation of key components including:
  - Test process document
  - Test automation approach (tools, frameworks, coverage strategy)
  - Defect management system (workflow, integration with issue tracking systems)
  - Test data management strategy
  - Performance testing tools and methodology
  - Test reporting and dashboarding
- Details on alignment with best practices and industry standards for quality assurance and continuous testing.
- Proposed approach to ensure scalability, maintainability, and traceability in test execution and planning.

### b. Support Services Strategy:

- Overview of the proposed **support model**, including:
  - Segregation and handling of **L1 and L2 support**
  - **Ticket triaging process**, escalation matrix, and coordination with application/development teams
  - Knowledge management and documentation practices
- Strategy for ensuring timely issue resolution and effective communication with stakeholders.
- Compliance with applicable Government of India and MeitY guidelines for data privacy, user confidentiality, and system security in support operations.
- Measures to ensure continuous service improvement, including feedback mechanisms, SLA monitoring, root cause analysis, and **proactive support practices**.

This section should reflect the bidder's domain expertise, experience with large-scale testing and support projects, and ability to meet the operational demands of a complex digital health ecosystem.

### c. Recommendations and Best Practices:

- Suggestions on optimal test automation coverage, framework choice, and test case management.
- Recommendations for integrating testing scripts development with DevOps

lifecycle and agile processes.

- Guidance for efficient handling of L1 and L2 support within the testing team's responsibilities.

d. **Implementation Approach:**

- Details of the proposed team structure, onboarding process, test planning, execution, reporting and closure.
- Defect lifecycle management, regression planning, and release readiness certification approach.
- Specific tools, dashboards and metrics proposed to measure testing and support quality.

**Note:** All proposed strategy must adhere to applicable Government of India and MeitY (Ministry of Electronics and Information Technology) guidelines.

This section is primarily intended to demonstrate the bidder's understanding of the testing domain, the relevant technologies, and the end-to-end support and testing scope. Bidders should reflect familiarity with the complexity and scale involved.

**Current Reference Technologies in Use (for Context):**

- **Front End:** Angular, React Native, Chart.js, D3.js
- **Backend:** Java, Spring Boot, Hibernate, Tomcat, Nginx
- **Database:** PostgreSQL, MySQL

**B. Proposed Execution Approach**

The bidder's response must comprehensively outline their execution methodology for delivering testing and support services as defined in the "**Scope of Work**" (**Section 2**) of the RFP. This section should include the following:

a. **Testing Services Delivery Approach:**

1. Detailed plan for delivering functional, regression, automation, performance, and mobile/web application testing.
2. Emphasis on optimizing cost, time, and quality through efficient testing strategies, automation frameworks, shift-left testing, and CI/CD integration.
3. Clearly defined execution plan, including:
  - **Team structure and staffing plan** – indicating roles such as Test Lead, Test and support Engineer
  - **Test processes** – such as test planning, test case design, defect management,

## Request for Proposal

release certification, and automation coverage.

- **Quality assurance plan** – incorporating test metrics, coverage reports, and review cycles.
- **Project management approach** – including timelines, deliverables, governance model, and communication channels.
- **Monitoring and reporting** – dashboards, defect leakage tracking, risk logs, and daily/weekly status reporting.
- **Governance mechanism** – escalation matrix, change management, and risk mitigation framework.
- Approach to fulfilling both **core team** (e.g., Test Manager, Automation Lead, L1/L2 Support Coordinator) and **flexible/need-based resources** for surge testing or special releases.

### b. Support Services Delivery Approach (L1 & L2):

1. Proposed **Support Model** – covering scope of L1 (basic issue triaging, user guidance, ticket routing) and L2 (functional support, bug replication, workaround communication) services.
2. **Support channels** – email, helpdesk, ticketing tools (like JIRA, Freshdesk, etc.), and coordination with state and national stakeholders.
3. **Staffing plan** – for 8x5 (working hours) or 24x7 support (on-call), rotation plans, and escalation hierarchy.
4. **Service Level Agreements (SLAs)** – resolution/response time targets, prioritization models, and associated penalty terms.
5. **Continuous Service Improvement Plan** – feedback loops, RCA (root cause analysis) of frequent issues, and knowledge base creation.
6. **Cost optimization strategies** – automation of routine L1 tasks, centralized ticket handling, and proactive system monitoring.

The bidder must propose a staffing plan that ensures the right mix of experience and skillsets aligned to the project's scale and complexity.

This section should also include **indicative CVs/profiles** for key roles such as Test and support Lead, Test Automation and support Engineer,

## 3.2 Guidelines for RFP Commercial Response

### 3.2.1 Commercial Model

Below are the details regarding the commercial model expected for the services to be provided by the selected Bidder

Ser	Service Category	Commercial Model
1	Software Testing and Support Services	Time and Material
2	License or subscription fees, if applicable	Defined by Bidder
3	Any Other	Defined by Bidder

The payment terms are outlined in Section 6.1.

### 3.2.2 Format for Commercial Model

The bidder must use the format provided in Annexure-9 for sharing proposed commercials which is expected to be used for evaluation of the commercial bid.

## 4 Evaluation Criteria and Process

### 4.1 Objective of the Evaluation Process

The objective of the evaluation process is to evaluate the bids to select an effective and best fit solution at a competitive price. The evaluation will be undertaken by IITB. IITB may consider recommendations made by external experts/consultants and the MoHFW. The decision of IITB shall be final.

IITB will scrutinize the offers to determine whether they are complete, whether any errors have been made in the offer, whether required technical documentation has been furnished, whether the documents have been properly signed, and whether items are quoted as per the required format.

IITB may call for any clarifications/additional particulars required, if any, on the technical/ commercial bids submitted. The bidder has to submit the clarifications/ additional particulars in writing within the specified date and time. The bidder's offer may be disqualified, if the clarifications/ additional particulars sought are not submitted within the specified date and time.

A Quality Cost Based System (QCBS) will be used to evaluate bids. The bids shall be evaluated in the following stages:

- Stage 1 – Eligibility Criteria
- Stage 2 – Technical Bid
- Stage 3 – Commercial Bid

Bidders who qualify in the Eligibility Criteria will be considered for Stage 2 evaluation. Of these, Bidders who meet the minimum qualifying score for the Technical Bid Evaluation will be considered for Stage 3. An overall QCBS score will be computed for Bidders who qualify for Stage 3, and the successful Bidder will be selected based on the ranking of QCBS scores.

### 4.2 Stage 1 – Evaluation of Eligibility Criteria

IITB will evaluate the Bidders on each criterion separately and satisfy itself beyond doubt on the Bidder's ability / position to meet the criteria. Those Bidders who qualify on ALL the criteria will only be considered as "Qualified under Stage 1" of evaluation and will be considered for evaluation under Stage 2.

## Request for Proposal

Those Bidders who do not qualify at this Stage 1 will not be considered for any further processing. IITB, therefore, requests that only those Bidders who are sure of meeting all the eligibility criteria, respond to this RFP process.

Evaluation of eligibility criteria will be as per the information/ response provided by the bidder and the supporting documents as mentioned below.

Only those bidders who fulfil the criteria mentioned in the table below are eligible for technical evaluation. Offers received from the bidders who do not fulfil all of the following eligibility criteria are liable to be rejected.

Ser	Eligibility Criteria Requirements	Supporting documents required
1	The Bidder should be a Government Organization/PSU/Public/Partnership/Private limited company or subsidiary thereof.	Certificate of Incorporation

**4.3 Stage 2 – Evaluation of Technical Bid**

- This evaluation will be carried out on a total score of 100 on the basis of the following evaluation parameters defined in this section
- The evaluation methodology is further broken down into sub areas as under

S No	Criteria	Details / What to Look For	Max Marks	Min Pass Marks
1	Profile Quality of Proposed Resources	Relevant skills (Selenium, Appium, SQL, Postman), years of experience, domain understanding, and certifications (if any). Prior automation projects, tools used, sample test cases or frameworks, stability of scripts, and CI/CD integration experience. Experience in handling production issues, ticket triaging, communication protocols, and escalation matrix. How the test lead plans to share test reports, dashboards, and track metrics. Sample templates or experience using tools like Jira, TestRail, TestLink etc.	30	20
2	Staffing Capability	How quickly the vendor can onboard all 4 resources. Bonus if immediate joiners are available. Retention plan, assurance on continuity of resources, and availability of a backup pool.	30	20
3	Past Client References / Track Record	Feedback from past clients, especially for similar projects. Can they provide references? Any govt/enterprise clients?	20	13
4	Flexibility & Compliance	Willingness to sign NDA, flexibility in ramping up/down, working hours match, and local compliance handling, Following IIITB holiday Calander	20	12
		Total	100	65

Any critical non-compliance/deviations may lead to disqualification of the Bidder. The scores will be evaluated as whole numbers.

**Only those Bidders achieving the minimum passing mark for EACH OF the individual evaluation activities from Sr. No. 1 to 4, AND a total score of at least 65 will be considered eligible for the Commercial evaluation process**

Also, IIITB may, at its sole discretion, decide to seek more information from the bidders in order to normalize the bids. However, bidders will be notified separately, if such normalization exercise is

*Request for Proposal*

resorted to.

**4.4 Stage 3 - Commercial Bid Evaluation**

The bidders who qualify in the Technical Bid Evaluation shall be eligible for Phase-3 Commercial Bid Evaluation.

- Financial Bids will be evaluated based on Rate Card submitted by the Bidder, as per Annexure 9. The rate card (Annexure 9, Section A) will be used to calculate an indicative running manpower cost using the indicative role-mix in the table below:

S.No	Role	Indicative Headcount
1	Test and Support Lead	1
2	Test and Support Engineer	3

The role mix shown in the table above is indicative and minimum planned, actual staffing plan shall vary and will be decided based on work plan and priorities, deliverables and timelines, with a periodic baselining and review mechanism.

- The running manpower costs thus calculated will be extended over a 2-year duration to calculate the indicative total manpower cost. Any other costs (specified in Annexure 9, Section B) will be added to the manpower costs to arrive at the bid value.
- The Bid value of each Bidder will be converted to a Financial Score based on the ratio of their bid value to the lowest Bid value among qualified Bidders as follows:

$$\text{Financial Score} = (\text{Lowest Bid Value} / \text{Bid Value of Bidder}) * 100$$

- The total QCBS score for each Bid is calculated using a weightage of 60:40 for the Technical Score and Financial Score. Thus,

$$\text{Consolidated Bid Score} = \text{Technical Score} * 0.6 + \text{Financial Score} * 0.4$$

- The Bidder with the highest Consolidated Bid Score is selected and will be referred to as “Selected Bidder” and IITB will notify the same to the selected bidder. The Bidder shall use the format as Mentioned in Annexure-9: Commercial Bid Form. Commercial bid valuation shall be considered as below; in case of any kind of discrepancy:
  - If there is a discrepancy between words and figures, the amount in words shall prevail.

## *Request for Proposal*

- ii. At the sole discretion and determination of IITB, IITB may add any other relevant criteria for evaluating the proposals received in response to this RFP.
- iii. IITB may, at its sole discretion, decide to seek more information from the respondents in order to normalize the bids. However, respondents will be notified separately, if such normalization exercise as part of the technical evaluation is resorted to.
- iv. All liability related to non-compliance of this minimum wages requirement and any other law will be the responsibility of the bidder.
- v. IITB shall not incur any liability to the affected bidder on account of such rejection.
- vi. The final decision on the successful bidder will be taken by IITB, in consultation with any other stakeholders as required. The implementation of the project will commence upon signing of a contract between IITB and the selected bidder based on the evaluation.
- vii. If for some reason, the successful bidder fails to execute an agreement within a specified timeline, IITB reserves the right to award the contract to the next most eligible bidder based on the evaluation scores and commercial prices quoted.

IITB reserves the right to take the services of any one or more external agencies for total evaluation of the proposal submitted by the Bidder. However, the final decisive parameters would be at the sole discretion of IITB and IITB is not liable to disclose either the criteria or the evaluation report/reasoning to the Bidder(s).

### **7.6 Proposal Modification**

No additions or changes to any Bidder's proposal will be allowed after the deadline for Bidders to submit their proposals, unless such modification is specifically requested by IITB.

### **7.7 Clarification of Bids**

During the Bid evaluation, IITB may, at its discretion, ask the Bidders for clarifications with respect to their Bids. The request for clarification and the response shall be in writing, and no change in the price or substance of the Bid shall be sought, offered or permitted. IITB has the right to disqualify the Bidder(s) whose clarifications are found not suitable for the requirement according to the Scope of Work.

### **7.8 Result Notification**

All Bidders will be communicated any decision made with respect to their RFP response as soon as practical. IITB will not be obliged to provide reasons for acceptance/ rejection of any response.

### **7.9 Cost of Responses**

IITB will not be liable for any costs or expenses incurred by the bidders arising in any way from the preparation

## *Request for Proposal*

and submission of the RFP response and any matter concerning the RFP is to be at the Bidder's sole risk, cost and expense.

### **7.10 Precedence of Documents**

- i. If there is any discrepancy, the hard copy of the Bid document shall be treated as final in case of any discrepancy with the soft copy.
- ii. These terms and conditions will prevail over any further terms that the Bidder may include in its response or otherwise provide to IITB, and any such further terms will be of no force or effect.

### **7.11 No commitment to accept lowest or any Bid**

IITB shall be under no obligation to accept the lowest or any other offer received in response to this RFP and shall be entitled to reject any or all offers including those received late or incomplete. IITB reserves the right to make changes in the Terms and Conditions. IITB will be under no obligation to have discussions with any Bidder, and/or entertain any representation.

### **7.12 Non-Transferable RFP**

This RFP document is not transferable.

### **7.13 Soft Copy of RFP Document**

The soft copy of the RFP document is made available on IITB's website

### **7.14 Addenda**

- i. IITB may issue an Addendum from time to time.
- ii. An Addendum may be issued to clarify the RFP or to effect modifications to the RFP. Each Addendum will be published on the IITB website and will form part of this RFP.
- iii. To the extent there is any inconsistency between an Addendum and this RFP, the Addendum will prevail and if between two or more Addenda, the last issued Addendum will prevail.

### **7.15 Pre Bid meeting**

For clarification of doubts of the Bidders on issues related to this RFP, IITB intends to hold Pre-Bid Meeting as per schedule in the RFP.

For any clarification with respect to this RFP, the Bidder may send an email to [ehrc-projects@iitb.ac.in](mailto:ehrc-projects@iitb.ac.in). The format to be used for seeking clarification is mentioned in Annexure 1 - Pre-Bid Query. It may be noted that all queries, clarifications, questions, etc., relating to this RFP, technical or otherwise, must be in writing only and should be sent to the designated Email ID.

## *Request for Proposal*

It may be noted that queries of any Bidder may not be entertained after the last date for submission of queries via Email. Only two authorized representatives of the Bidder's organization will be allowed to attend the meeting. IITB may or may not respond to all the queries of the bidder.

### **7.16 Rejection of Bids**

IITB reserves the right to reject any or all the Bids or scrap the bidding process at any stage without assigning any reason. The Earnest Money Deposits in such event will be returned by IITB. However, the Tender processing fee will not be refunded.

### **7.17 Amendment to Contract**

No variation in or modification of the conditions of the Contract shall be made except by written amendment signed by the parties.

### **7.18 Correspondence and Notices**

Any correspondence or notice from one party to another under the terms of the Contract shall be served by fax or by hand and confirmed in writing to the party's address. A notice shall be effective from the date when delivered.

### **7.19 Notification of Award**

Following evaluation, a Contract may be awarded to the Bidder whose Bid meets the requirements of this RFP and provides the best value to IITB from both a Techno-Functional and Commercial point of view. IITB reserves the right to award the Contract in whole or in part.

The acceptance of the Bid, subject to Contract, will be communicated by way of placing a notification of award in writing at the address supplied by the Bidder in the Bid document. Any change of address of the Bidder should therefore be notified promptly to the Deputy General Manager (IT) at the address given in this RFP.

The PBG should be submitted within 15 days from notification of award from IITB. IITB subsequently shall be issuing the Purchase Order.

### **7.20 Signing of Contract**

The Successful Bidder shall be required to enter into a Contract with IITB, within thirty (30) days of the award of the work or within extended period, as may be specified by IITB. This Contract shall be based on this RFP document, PO and such other terms and conditions as may be determined by IITB to be necessary for the due performance of the work, as envisaged herein and in accordance with the Bid. However, the terms and conditions of Purchase Order and RFP shall constitute a binding Contract till such a Contract is issued. IITB reserves the right to award the contract in whole or in part.

## **8 Terms and Conditions**

### **8.1 Amendment to Bid Document**

At any time prior to the deadline for submission of Bids, IITB may for any reason either on its own initiative or in response to a clarification requested by a prospective Bidder, modify the Bid document, by amendment.

All such amendments will be published on [www.iitb.ac.in/tele-manas](http://www.iitb.ac.in/tele-manas). All such amendments will be binding on the bidders. In order to allow prospective Bidders reasonable time in which to take the amendment into account in preparing their Bids, IITB may, at its discretion, extend the deadline for a reasonable period to be decided by IITB for the submission of Bids. Details will be communicated and published on IITB website page [www.iitb.ac.in/tele-manas](http://www.iitb.ac.in/tele-manas)

- i. IITB also reserves the right to change any terms and conditions of the RFP and its subsequent addendums as it deems necessary at its sole discretion. IITB will inform the Bidder about changes, if any before the deadline of Bids submission.
- ii. IITB may revise any part of the RFP, by providing an addendum/corrigendum to the Bidders at stage till Commercial Bids are opened. IITB reserves the right to issue revisions to this RFP at any time before the deadline for Bids submission.
- iii. IITB reserves the right to extend the dates for submission of responses to this document.
- iv. **Preliminary Scrutiny** – IITB will scrutinize the offer to determine whether it is complete, whether any errors have been made in the offer, whether required technical documentation has been furnished, whether the documents have been properly signed, and whether items are quoted as per the schedule. IITB may, at its discretion, waive any minor non-conformity or any minor deficiency in an offer. This shall be binding on the Bidder and IITB reserves the right for such waivers and IITB's decision in the matter will be final.
- v. **Clarification of Offer** – To assist in the scrutiny, evaluation and comparison of offer, IITB may, at its discretion, ask the Bidder for clarification of their offer. IITB has the right to disqualify the Bidder whose clarification is found not suitable to the proposed project RFP.
- vi. IITB reserves the right to make any changes in the terms and conditions of purchase. IITB will not be obliged to meet and have discussions with any Bidder, and / or to listen to any representations.
- vii. **Erasures or Alterations** – The offer containing erasures or alterations will not be considered. There should be no handwritten material, corrections or alterations in the offer. Technical details must be completely filled up. Correct technical information of the product/service being offered must be filled in. Filling up of the information using terms such as "OK", "accepted", "noted", "as given in brochure /

manual” is not acceptable. IITB may treat the offers not adhering to these guidelines as unacceptable.

viii. **Right to Alter Quantities** – IITB reserves the right to alter the requirements specified in the RFP. IITB also reserves the right to delete or increase one or more items from the list of items specified in the RFP. IITB will inform the Bidders about changes, if any. In the event of any alteration in the quantities, the price quoted by the Bidder against the item would be considered for such alteration. Bidder agrees that the prices quoted for each line item & component is valid for period of Contract and can be used by IITB for alteration in quantities. Bidder agrees that there is no limit on the quantities that can be altered under this Contract. During the Contract period, the Bidder agrees to pass on the benefit of reduction in pricing for any additional items to be procured by IITB, in the event the market prices/rate offered by the Bidder are lower than what has been quoted by the Bidder as the part of Commercial Bid. Any price benefit in the services/equipment should be passed onto IITB within the Contract period.

ix. The decision of IITB shall be final and binding in this regard. Deviations will be grounds for disqualification.

### **8.2 Consortium**

Consortium is not allowed.

### **8.3 Conditional Bids**

Conditional Bids shall not be accepted on any ground and shall be rejected straightway. If any clarification is required, the same should be obtained before submission of Bids.

### **8.4 Submission of Bids**

Payment shall be done as per the Payment Terms mentioned in Section 6 of this RFP.

### **8.8 Currency of Payments**

Payment shall be made in Indian Rupees (INR) only.

### **8.9 Delay in Bidder's Performance**

Any unexcused delay by the Bidder in the performance of his implementation/service/other obligations shall render the Bidder liable to any or all of the following sanctions: forfeiture of his Performance security, imposition of liquidated damages, and/ or termination of the Contract for default.

If at any time during performance of the Contract, the Bidder should encounter conditions impeding timely implementation of the Solution and/or performance of services, the Bidder shall promptly notify IITB in writing of the fact of delay, its likely duration and cause(s), before the scheduled delivery/installation/implementation date. IITB shall evaluate the situation after receipt of the Bidder's notice and may at their discretion extend the Bidder's time for delivery/installation/implementation, in which case the extension shall be ratified by the parties by amendment of the Contract. If the Bidder's request for delay in the implementation of the Solution and performance of services is not found acceptable to IITB, the above mentioned clause will be invoked.

### **8.10 Repeat Order**

IITB at its discretion may place repeat orders or any other orders based on its business requirements during the tenure of the Contract.

### **8.11 Other RFP Requirements**

- i. **Technical Inspection and Performance Evaluation** - IITB may choose to carry out a technical inspection/audit and performance of the solution.
- ii. The Bidder would permit IITB or any person/persons designated by IITB to observe the technical and performance evaluation/benchmarks carried out by the Bidder.

## *Request for Proposal*

iii. The Bidder will identify a representative as a single point of contact for IITB

### **8.12 Completeness of the Project**

The Project will be deemed as incomplete if the desired objectives mentioned in Section 2–Detailed Scope of Work of this document are not achieved.

### **8.13 Canvassing / Contacting**

Any effort by a Bidder to influence the Company in its decisions on Bid evaluation, Bid comparison or Award of Contract may result in the rejection of the Bidder's Bid. No Bidder shall contact the Company on any matter relating to its Bid, from the time of opening of Commercial Bid to the time the Contract is awarded.

### **8.14 Indemnity**

The Bidder's should indemnify IITB (including its employees, directors or representatives) from and against claims, losses, and liabilities arising from:

- a) Non-compliance of the Bidder with Laws/Governmental requirements
- b) IP infringement
- c) Negligence and misconduct of the Bidder, its employees, and FTEs

Indemnity would be limited to court awarded damages and shall exclude indirect, consequential and incidental damages. However, indemnity would cover damages, loss or liabilities suffered by IITB arising out of claims made by its customers and/or regulatory authorities.

### **8.15 Inspection of records**

All Bidder records with respect to any matters covered by this RFP shall be made available to IITB or its designees at any time during normal business hours, as often as IITB deems necessary, to audit, examine, and make excerpts or transcripts of all relevant data. Said records are subject to examination. IITB would execute confidentiality agreement with the Bidder, provided that the auditors would be permitted to submit their findings to IITB, which would be used by IITB. The cost of the audit will be borne by IITB. The scope of such audit would be limited to Service Levels being covered under this RFP and subsequent contract, and financial information would be excluded from such inspection, which will be subject to the requirements of statutory and regulatory authorities. The Bidder's records and sites managed for IITB shall also be subject to Regulator/IITB inspection.

### **8.16 Publicity**

Any publicity related to this project by the Bidder in which the name of IITB, NIMHANS or government department or agency is to be used, should be done only with the written permission from IITB.

## *Request for Proposal*

### **8.17 Solicitation of Employees**

Both the parties agree not to hire, solicit, or accept solicitation (either directly, indirectly, or through a third party) for their employees directly involved in this Contract during the period of the Contract and one year thereafter, except as the parties may agree on a case-by-case basis. The parties agree that for the period of the Contract and one year thereafter, neither party will cause or permit any of its directors or employees who have knowledge of the agreement to directly or indirectly solicit for employment the key personnel working on the project contemplated in this proposal except with the written consent of the other party. The above restriction would not apply to either party for hiring such key personnel who

- i) initiate discussions regarding such employment without any direct or indirect solicitation by the other party
- ii) respond to any public advertisement placed by either party or its affiliates in a publication of general circulation or
- iii) has been terminated by a party prior to the commencement of employment discussions with the other party.

### **8.18 Penalties on Non Compliance of SLA**

IITB expects the Bidder to provide uninterrupted services to IITB. Inability of the Bidder to either ensure readiness of the services as per specifications within defined timelines or to meet the service levels as specified in RFP shall be treated as breach of Contract and would invoke the penalty clause.

### **8.19 Liquidated Damages**

- i. If the deliverables are not acceptable to IITB as mentioned in this RFP and defects are not rectified to the satisfaction of IITB within 30 days of the receipt of the notice, the Bidder shall be liable for Liquidated Damages for an amount equal to 0.5% of the Total Cost of the Services for every week or part thereof for the delay.
- ii. Any additional circumstances applicable for Bidder's liability for liquidated damages will be worked out during contracting phase.
- iii. The amount of liquidated damages under this Contract shall not exceed 3% of the Total value of the Contract as specified in Annexure 9-Commercial Bid Form. The Total Contract value in this context will include all the charges calculated for the agreement duration based on proposed rates in Annexure 9 – Commercial Bid Form.

### **8.20 Confidentiality**

Bidder understands and agrees that all materials and information marked and identified by IITB as 'Confidential' are valuable assets of IITB/Government agencies/NIMHANS and are to be considered their proprietary information and property. Bidder will treat all confidential materials and information provided by IITB/Government Agencies/NIMHANS with the highest degree of care and necessary to ensure that unauthorized disclosure does not occur. Bidder will not use or disclose any materials or information

## *Request for Proposal*

provided by IITB/Government Agencies/NIMHANS without IITB's prior written approval.

Bidder shall not be liable for disclosure or use of any materials or information provided by IITB or developed by Bidder which is:

- i. possessed by Bidder prior to receipt from IITB, other than through prior disclosure by IITB, as documented by Bidder's written records;
- ii. published or available to the general public otherwise than through a breach of Confidentiality; or
- iii. obtained by Bidder from a third party with a valid right to make such disclosure, provided that said third party is not under a confidentiality obligation to IITB; or
- iv. Developed independently by the bidder.

In the event that Bidder is required by judicial or administrative process to disclose any information or materials required to be held confidential hereunder, Bidder shall promptly notify IITB and allow IITB a reasonable time to oppose such process before making disclosure.

Bidder understands and agrees that any use or dissemination of information in violation of this Confidentiality Clause will cause IITB irreparable harm, may leave IITB with no adequate remedy at law and IITB is entitled to seek injunctive relief.

Nothing herein shall be construed as granting to either party any right or license under any copyrights, inventions, or patents now or hereafter owned or controlled by the other party.

The requirements of use and confidentiality set forth herein shall survive the expiration, termination or cancellation of this RFP.

### **8.21 Force Majeure**

#### **i. Definition:**

- a. For the purposes of this Contract, "Force Majeure" means an event which is beyond the reasonable control of a Party, is not foreseeable, is unavoidable and not brought about by or at the instance of the Party claiming to be affected by such events and which has caused the non-performance or delay in performance, and which makes a Party's performance of its obligations hereunder impossible or so impractical as reasonably to be considered impossible in the circumstances, and includes, but is not limited to, war, riots, civil disorder, earthquake, fire, explosion, storm, flood or other extreme adverse weather conditions, strikes, lockouts or other industrial action (except where such strikes, lockouts or other industrial action are within the power of the Party invoking Force Majeure to prevent), confiscation or any other action by Government Agencies.
- b. Force Majeure shall not include:
  - Any event which is caused by the negligence or intentional action of a Party or by or of such Party's

## *Request for Proposal*

Sub-Consultants or FTEs or Employees, or

- Any event which a diligent Party could reasonably have been expected both to take into account at the time of the conclusion of this Contract, and avoid or overcome in the carrying out of its obligations hereunder.
- c. Force Majeure shall not include insufficiency of funds or inability to make any payment required hereunder.

### ii. **No Breach of Contract:**

The failure of a Party to fulfil any of its obligations hereunder shall not be considered to be a breach of, or default under, this Contract insofar as such inability arises from an event of Force Majeure, provided that the Party affected by such an event has taken all reasonable precautions, due care and reasonable alternative measures, all with the objective of carrying out the terms and conditions of this Contract.

### iii. **Measures to be taken:**

- a. A Party affected by an event of Force Majeure shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall take all reasonable measures to minimize the consequences of any event of Force Majeure.
- b. A Party affected by an event of Force Majeure shall notify the other Party of such event as soon as possible, and in any case not later than fourteen (14) days following the occurrence of such event, providing evidence of the nature and cause of such event, and shall similarly give written notice of the restoration of normal conditions as soon as possible.
- c. Any period within which a Party shall, pursuant to this Contract, complete any action or task, shall be extended for a period equal to the time during which such Party was unable to perform such action as a result of Force Majeure.
- d. During the period of their inability to perform the Services as a result of an event of Force Majeure, the Bidder, upon instructions by IITB, shall either:
  - demobilize; or
  - Continue with the Services to the extent possible, in which case they shall continue to be paid proportionately and on pro rate basis, under the terms of this Contract.
- e. In the case of disagreement between the Parties as to the existence or extent of Force Majeure, the matter shall be settled according to Clause 5.26.

## **8.22 Resolution of disputes**

IITB and the Bidder shall make every effort to resolve amicably, by direct informal discussions between the

## *Request for Proposal*

respective Project Managers of IITB and the Bidder, any disagreement or dispute arising between them under or in connection with the Contract. If IITB's Project Manager and the Bidder's Project Manager are unable to resolve the dispute they shall immediately escalate the dispute to the senior authorized personnel designated by the Bidder and IITB respectively. If after thirty days from the commencement of such discussions between the senior authorized personnel designated by the Bidder and IITB, IITB and the Bidder have been unable to resolve amicably a Contract dispute; either party may require that the dispute be referred for resolution through formal arbitration. All questions, claims, disputes or differences arising under and out of, or in connection with the Contract or carrying out of the work whether during the progress of the work or after the completion and whether before or after the determination, abandonment or breach of the Contract shall be referred to arbitration by a sole Arbitrator acceptable to both parties failing which the number of arbitrators shall be three, with each side to the dispute being entitled to engage one arbitrator. The two arbitrators engaged by the parties shall engage a third arbitrator who shall act as the presiding arbitrator. The Arbitration and Reconciliation Act, 1996 or any statutory modification thereof shall apply to the arbitration proceedings and the venue of the arbitration shall be Bangalore. The arbitration proceedings shall be conducted in English language. The arbitration award shall be final, conclusive and binding upon the Parties and judgment may be entered thereon, upon the application of either Party to a court of competent jurisdiction. Each Party shall bear the cost of preparing and presenting its case, and the cost of arbitration, including fees and expenses of the arbitrators, shall be shared equally by the Parties unless the award otherwise provides.

### **8.23 Waiver**

No failure or delay on the part of either party relating to the exercise of any right, power, privilege or remedy provided under this RFP document or subsequent agreement with the other party shall operate as a waiver of such right, power, privilege or remedy or as a waiver of any preceding or succeeding breach by the other party nor shall any single or partial exercise of any right power privilege or remedy preclude any other or further exercise of such or any other right power privilege or remedy provided in this RFP document all of which are several and cumulative and are not exclusive of each other or of any other rights or remedies otherwise available to either party at law or in equity.

### **8.24 Violation of terms**

IITB clarifies that IITB shall be entitled to an injunction, restraining order, right for recovery, suit for specific performance or such other equitable relief as a court of competent jurisdiction may deem necessary or appropriate to restrain the Bidder from committing any violation or enforce the performance of the covenants, obligations and representations contained in this RFP document. These injunctive remedies are cumulative and are in addition to any other rights and remedies IITB may have at law or in equity, including without limitation a right for recovery of any amounts and related costs and a right for damages.

### **8.25 Termination for Default**

IITB may, without prejudice to any other remedy for breach of contract, by 60 calendar days' written notice of default sent to the SP, terminate the Contract in whole or in part:

## *Request for Proposal*

- a) If the Bidder fails to deliver any or all of the Solution and services within the timeperiod(s) specified in the Contract, or any extension thereof granted by IITB; or
- b) If the Bidder fails to perform any other obligation(s) under the Contract.

In the event of IITB terminating the Contract in whole or in part, pursuant to above mentioned clause, IITB may procure, upon such terms and in such manner, as it deems appropriate, goods and services similar to those undelivered and the Bidder shall be liable to IITB for any excess costs incurred for procurement of such similar goods or services. However, the bidder shall continue performance of the Contract to the extent not terminated.

### **8.26 Termination for Insolvency**

IITB may, at any time, terminate the Contract by giving 90 calendar days' written notice to the Bidder, without any compensation to the Bidder, whatsoever if:

- i. The Bidder becomes bankrupt or otherwise insolvent, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to IITB.
- ii. The Bidder being a company is wound up voluntarily or by the order of a court or a receiver, or manager is appointed on behalf of the debenture/shareholders or circumstances occur entitling the court or debenture/shareholders to appoint a receiver or a manager, provided that such termination will not prejudice or affect any right of action or remedy accrued or that might accrue thereafter to the IITB.

### **8.27 Information Ownership**

All information processed, stored, or transmitted by Bidder equipment belongs to IITB. By having the responsibility to maintain the equipment, the Bidder does not acquire implicit access rights to the information or rights to redistribute the information. The Bidder understands that civil, criminal, or administrative penalties may apply for failure to protect information appropriately.

### **8.28 Sensitive Information**

Any information considered sensitive must be protected by the Bidder from unauthorized disclosure, modification or access.

### **8.29 Technological Advancements**

The Bidder agrees to incorporate all changes relating to the platform features being offered, announced by them from time to time keeping in view the advancement in technology, shortcomings of the platform and services made available to IITB and undertake any changes or upgrades required during the implementation period for improving the overall efficiency of the TMCs and the initiative.

### **8.30 Governing Language**

## *Request for Proposal*

The Contract shall be written in the language of the Bid i.e. English. All correspondence and other documents pertaining to the Contract, which are exchanged by the parties, shall be written in that same language. English Language version of the Contract shall govern its implementation.

### **8.31 Applicable Law**

The Contract shall be interpreted in accordance with the Indian Laws for the time being in force and will be subject to the exclusive jurisdiction of Courts at Bangalore (with the exclusion of all other Courts).

### **8.32 Prices**

The prices quoted (as mentioned in Annexure 9- Commercial Bid Form submitted by the Bidder) for the solution and services shall be firm throughout the period of the Contract and shall not be subject to any escalation.

### **8.33 Deduction**

Payments shall be subject to deductions (such as TDS) of any amount, for which the Bidder is liable under the agreement against this RFP.

### **8.34 Taxes and Duties**

The prices quoted by the Bidder shall include all costs such as, taxes, levies, cess, excise, Octroi and custom duties, installation, commissioning, insurance if any, etc. as applicable in India, that need to be incurred. The Bidder has to quote the GST, Cess and any other applicable taxes in separate columns. The entire benefits/advantages, arising out of fall in prices, taxes, duties or any other reason, must be passed on to IITB.

### **8.35 No Claim Certificate**

The bidder shall not be entitled to make any claim whatsoever against IITB under or by virtue of or arising out of this Contract, nor shall IITB entertain or consider any such claim, if made by the Bidder after he shall have signed a "No Claim" certificate in favor of IITB in such forms as shall be required by IITB after all payments due to Bidder are made in full.

### **8.36 Rights reserved by IITB**

- i. IITB reserves the right to accept or reject any or all Bids without assigning any reasons.
- ii. IITB reserves the right to verify the validity of information given by the Bidders. If at any future point of time, it is found that the Bidder had made a statement, which is factually incorrect, IITB will reserve the right to debar the Bidder from bidding prospectively for a period to be decided by IITB and take any other action as maybe deemed necessary.
- iii. IITB reserves the right to issue a fresh RFP at any time during the validity of the Contract period with the selected Bidder.

## *Request for Proposal*

### **8.37 Subcontracting**

Subcontracting of the work awarded to the selected Bidder in full or partial mode is not permitted under any circumstances.

### **8.38 Rejection of Bids**

IITB reserves the right to reject any or all the Bids or scrap the bidding process at any stage till notification of award without assigning any reason. The Earnest Money Deposit in such event will be refunded by IITB. In case IITB scraps the bidding process, the RFP tender processing fees will also be refunded.

## Annexure 14: RFP Background and Program Overview

### 9.14.1 Background

The National Tele Mental Health Programme was announced in the Union Budget 2022-23 with the objective “to better the access to quality mental health counselling and care services”. NIMHANS was identified as the nodal centre and International Institute of Information Technology-Bangalore (IIITB) is to provide technology support. This RFP is being issued by IIITB to solicit bids from competent vendors for IT services comprising development, implementation, maintenance and support services in context of the software solutions to be rolled out under this program.

### 9.14.2 Overview of Tele-MANAS Initiative

Tele MANAS is proposed to contain high availability and scalable ICT based infrastructure and platform for supporting 24x7 tele-mental health facilities across the States and UTs of the country. The platform shall facilitate doing teleconsultations based on the protocols centrally defined and administered by NIMHANS experts with in-built mechanisms for ensuring privacy and confidentiality of identity of callers, along with appropriate provisions for security of platform and data, high availability, compatibility with Ayushman Bharat Digital Mission framework, integration with the unique health id and the digital healthcare ecosystem. This platform will have a federated enterprise architecture towards facilitating the tele-mental health operations across the hub (NIMHANS) and spokes (facilities across states and union territories).

### 9.14.3 Overview of Tele-MANAS ICT Platform

Below are the primary technology components to be created and implemented as a part of the National Tele Mental Health (“Tele-MANAS”) platform. Details on the technical solution have been provided as a part of the RFD document.

1. Voice-based teleconsultation platform: to enable voice-based teleconsultation by using telephone and IVR based facilities to support multi-tiered hierarchy of teleconsultants.
2. Video-consultation platform: Integrating E-Sanjeevani with the Tele-Manas facilities and mental health professionals for providing video-based teleconsultations for mental health ailments.
3. Tele-Manas web and mobile app: to provision for availability of information and services related to Tele-Manas initiative in a digital format in an incremental manner. The web and mobile apps shall also be used by the central agency (NIMHANS) and facilities for collectively providing the services to the citizens
4. National E-Manas platform: Leveraging the Karnataka E-Manas platform to build a National E-Manas platform with provisions for recording of EHR data related to teleconsultations and integration with Ayushman Bharat Digital Mission framework
5. Governance and dashboard modules: governance and dashboard modules for monitoring, tracking and reporting of the overall Tele-MANAS program
6. Plug-ins for training modules: Providing plug-ins for facilitating access to training modules to be used for training and enablement of tele-consultants across facilities
7. Integration of Tele-Manas platform components with the Ayushman Bharat Digital Mission framework
