Utkarsha Scholarship Scheme 2022 - Tuition Fee Reimbursement Scheme for Top JEE Rankers

IIITB is announcing the **Utkashara Scholarship Scheme 2022** for meritorious students joining IIITB's flagship 5-year Integrated M.Tech. programme. Utkarsha Scholarship will provide 100% tuition fee waiver to top 5 students on merit basis for those having JEE Main NTA Rank (CRL) in the range of 1 – 999. The scholarship scheme covers tuition fee waiver for all 5 years in the flagship Integrated MTech programme offered by IIIT Bangalore. This offer is only for students joining Integrated M.Tech. during the academic year 2022. Following are the details of the scholarship scheme:

1. All the applicants having rank in the range of 1 – 999 are eligible to be considered for the Utkarsha Scholarship. Among the eligible applicants, the top five candidates on merit basis will be offered the waiver at the time of admission.
2. The Utkarsha Scholarship scheme is applicable for admission to both CSE and ECE branches of the Integrated M.Tech. programme.
3. Once the scholarship is awarded to specific students ("Utkarsha Scholars"), the scholarship is not transferable to other students even if the scholars leave the programme.
4. Tuition waiver for the first year is based on JEE NTA Rank (CRL). For subsequent years (years 2 to 5), the student needs to maintain a CGPA of 3.6 or above (on 4-point scale).
5. If the Scholar's CGPA falls below 3.6 during any academic year, the student can continue in the programme by paying the normal tuition fee payable for that academic year. The scholarship will be restored for future academic years once the student improves the CGPA to 3.6 or above.
6. For all the Utkarsha Scholars, the scholarship will be administered in the form of a full reimbursement after payment of the regular tuition fee by the student as per the calendar announced by IIITB.
