

Physics Laboratory- In-charge

IIIT-B Invites Applications For The Post Physics Laboratory In-charge - (one Position)

Last date for receipt of applications is November 20, 2026. Details are as follows: -

Job Brief	IIITB requires enterprising candidates with MSc (Physics) for the position of Laboratory In-charge. The selected candidate will help the Physics Faculty in conducting Lab, for Integrated M.Tech & B. Tech Course students at the institute.
Job Description	<p>Primary Responsibility: To support the effective and efficient teaching and learning of Physics at the Institute</p> <p>1. Prepares laboratory materials in the Two Semesters. These responsibilities include:</p> <ul style="list-style-type: none">• Consulting and planning with the laboratory instructor(s)• Setting up equipment for students and instructor(s)• Performing technical duties related to the Physics laboratory activities, including giving technical assistance & conducting laboratory sessions.• Assist with preparation and/or lab cleanup for physics lecture demonstrations as appropriate <p>2. Participate in and contribute to the upkeep of the Physics Laboratory by</p> <ul style="list-style-type: none">• Assisting instructor(s) regarding laboratory procedures, location and use of materials, and the operation of equipment• Recommending and/or performing general cleaning in the Physics laboratory• Recommending and/or performing maintenance or repairs of equipment in the Physics laboratory• Distributing laboratory equipment and materials <p>3. Participate in and contribute to a safe environment in the Physics Laboratory by</p> <ul style="list-style-type: none">• Keeping current with safety regulations• To carry out safety checks on equipment before and after use• Explaining safety procedures to individuals using the laboratories• To dispose and disassemble redundant or unsafe equipment in consultation with the instructor(s)

	<ul style="list-style-type: none"> To ensure laboratories are locked, lights and equipment are switched off at the end of the day <p>4. Stock and Purchasing</p> <ul style="list-style-type: none"> To operate and maintain stock control of equipment, undertake annual stock-take and ensure stock book is kept up to date To source and cost stock, ordering as necessary To monitor the expenditure and keep accurate purchasing records; assist with the departmental budget process <p>5. Design and Development</p> <ul style="list-style-type: none"> To construct and / or modify apparatus as required To improve on existing/design new experiments and equipment needed as required Suggest new experiments <p>6. General</p> <ul style="list-style-type: none"> To attend and participate in meetings as required Help with conducting quizzes / tests associated with the physics curriculum..
Qualifications, Experience and Skills needed	<ul style="list-style-type: none"> A Master's degree in Physics A PhD in a relevant discipline is not expected, but is an added qualification. Good academic record is expected Previous experience in the stated area is highly preferred
Joining	<p>Immediate.</p> <p>The contract initially is for one year and subject to satisfactory evaluation on its conclusion, may get extended on a yearly basis. Pay and perks will be commensurate to qualification and experience.</p> <p>Selected Candidate, if interested, would be permitted to apply for admission to the Ph.D program at the Institute in due course.</p>
Last date for applications	<p>Interested candidates are requested to fill in the form below by November 20, 2026 https://forms.gle/Ht3PEcfpWW933Mkj8</p> <p>Kindly contact HR – hr@iiitb.ac.in in case you face an issue in filling the form.</p>
