- **March 17:** "End of CT Day 1"
- **March 18:** "Day 2 of ITSEC 2017 CT"
- **March 20:** "ITSEC 2017 CT Day 3"
- **March 21:** "End of CT Day 3"
- **March 22:** "CT Day 4"
- **March 23:** "End of CT Day 4"

The article authored by Prof. V. Sridhar titled "Corporate Legacy: Almost A Perfect Record" appeared in the IIIT-B newsletter.

Prof. Sadagopan attended a talk by Mr. Satya Nadella, CEO, Microsoft.

Profs. Shiva Kumar Malapaka and Jaya Sreevalsan Nair represented IIIT-B at the PSG College of Technology in Coimbatore on January 19 and 20, respectively, under the 18th edition of Network University, organized by HPE Aruba in association with IIIT-B in Orlando, Florida, USA, on February 13. Co-authors of this paper are Prof. Neelam Sinha and Dr. Jitender Saini, NIMHANS, Bangalore.

The first course under the IIIT-B Center for Cyber Security Education and Research (CCSER), titled "IT Security Essentials (ITSEC)", was held from February 15 to 23, 2017. At their visit, they had an interactive session with our 10 startups. Prof. Balaji performed a round of evaluation. The event was part of the Cyber Security Excellence Mentorship (CSEM) program for 5 successive years. Mr. Kanetkar holds a BE from VJTI Mumbai, an M.Tech. from IIT Kanpur and is currently the Director of KICIT Pvt. Ltd. and KSET Pvt. Ltd. The event started with few students attended on February 4, 2009. Prof. V Ramasubramanian, Faculty Member, and Mr. Yashavant Kanetkar are known for their "Back to Back" metrics used in cyber security research. One of the main topics was "When to Fire a Software Engineering Model".
